success of technology companies The CEOs of these companies must make a priority of ensuring that technical know how is  
effectively converted into value The paradox is that they rarely do Resolving the Innovation Paradox shows how to put  
innovation for longer term growth at the centre of the CEO radar One tool is distributed innovation Distributed innovation  
offers companies two main benefits First companies raise revenue by using channels such as licensing and selling innovation  
projects Second companies tap into external technical know how combining it seamlessly with their internal capabilities to  
develop high impact products and services Unconstrained by internal resources such firms gain in agility Resolving the  
Innovation Paradox offers examples from companies such as Generics Intel Nokia and Samsung The book is addressed to all
