Conversion Secrets Amelia Green, 2025-03-03
Conversion Secrets offers a practical guide to boosting online conversion rates by focusing on three key areas: crafting effective landing pages, writing persuasive copy, and optimizing sales funnels. It emphasizes a data-driven approach, suggesting that understanding customer psychology and employing A/B testing are essential for success in today's digital marketing landscape. The book uniquely integrates psychological insights with actionable strategies, moving beyond mere design tweaks to explore the science behind user behavior. The book progresses systematically, starting with the anatomy of high-converting landing pages and exploring elements like headlines and calls to action. It then delves into persuasive copywriting, teaching readers how to create compelling narratives that resonate with customers. Finally, it dissects the sales funnel, pinpointing bottlenecks and offering strategies for lead nurturing and cart abandonment recovery. Case studies and real-world data illustrate successful conversion strategies, making complex concepts accessible to entrepreneurs and marketing professionals alike.

Selling & Sales Management Lisa Spiller, 2021-09-01
Packed with engaging examples and case studies from companies including Amazon, IBM, and Pepsi, as well as unique insights from sales professionals across the globe, this comprehensive textbook balances research theory and practice to guide students through the art and science of selling in a fast-changing and digital age. The text highlights the emerging role of storytelling, sales analytics, and automation in a highly competitive and technological world and includes exercises and role plays for students to practice as they learn about each stage of the selling process. As well as its focus on selling, the text also provides students with essential sales management skills such as onboarding, coaching, mentoring, and leading salespeople, as well as managing sales pipelines, territories, budgets, systems, and teams when not in the field. Online resources are included to help instructors teaching with the textbook, including PowerPoint slides and a testbank.
