By telling her own story the author shows how after recognizing that she was burned out in her career she decided to take a three month break. Rather than just taking the time off she planned that time breaking it into four sections Play Pause Plan and Pursue. She felt it was essential first to take the time to disengage from work and spend time with her family in Play. For Pause she spent time on her own to slow down meditate and work on herself. That got her ready to Plan where she investigated her core values and how she could incorporate those into her career. Pursue prepared her to re-enter the workforce. By interviewing others who have taken career breaks and sharing their stories Laura gives readers a wide variety of options to take their own breaks short or long. There are even a series of bite sized break ideas for those who need a pause but don't have the time or money to take off for three months.
