Stewart,1936 **Ordeal by Hunger** George Rippey Stewart,1942 *The Archaeology Of The Donner Party* Donald L Hardesty,1997 The tragic saga of the Donner Party has inspired both legend and scholarship ever since the survivors were rescued from the High Sierra snows in the spring of 1847 When archaeologist Donald L Hardesty and four colleagues a historian and three other archaeologists turned their collective attention to the ordeal of the Donner Party the result was an original and sometimes surprising new study of this pioneer group and their place in the history of overland migration Now available for the first time in paperback The Archaeology of the Donner Party combines the fruits of meticulous investigation of the Sierra Nevada sites with scientific analysis of artifacts discovered there and interpretation of the documents of the party and the memoirs of survivors Through this interdisciplinary approach Hardesty and his colleagues offer new insight into the ordeal of these ill fated emigrants and demonstrate the vital role that archaeology can play in illuminating and expanding our understanding of historical events Contributions by Michael Brodhead Donald K Grayson Susan Lindstrom and George L Miller **The Donner Party Chronicles** Frank Mullen,1997 The Donner Party has become a tragic icon of the American march west From Independence Missouri to Sutter's Fort California the party endured almost unimaginable hardship and suffering Author Frank Mullen Jr gives us a day by day account of their struggle for survival as they journey across the trail west The Reno Gazette Journal and the Nevada Humanities Committee present Frank Mullen's account of the Donner Party accompanied by hundreds of historical illustrations and Marilyn Newton's photographs of the trail today Book Jacket *The Settlement of America* James A.
