Jalene E. Murphy

Orientation Mapping Meanings Caffyn Jesse:

Orientation Caffyn Jesse, 2015-09 Caffyn Jesse believes that there are 2 ways to oppress queer people. There are the classic stereotypes that delineate queer difference. And there is the oppression of conformity to the idea that queer people are no different from anyone else. Attention to the archetypal resonance of homophobic stereotypes can help queer people think differently and more radically about their social function.

Modern Day Courage Jalene E. Murphy, 2023-07-31 *Modern Day Courage* is a collection of short stories written from the heart. They are true, intimate, and contemporary, describing an emotional journey that has led to an authentic, meaningful life. On this very personal pilgrimage, Jalene overcomes life's obstacles: mental health, the stigma of divorce, pervasive perfectionism, and the tyranny of Catholic Church guilt and shame. Readers facing similar trials will find value and support within these pages. Drawing from experience, Jalene has blazed a path for others. The author deals with the complexities of our modern world, and her insights will speak to anyone looking for self-knowledge. She tackles with grace and wisdom the challenges of sexual affirmation, self-love, divorce, and mental health, while highlighting the power of courage, inner strength, determination, and hope. This book is essential reading for anyone wishing to discover self. Doing so requires hard work, but the reward is inner peace. Your life will never be the same and never better.
