## **Our Global Neighborhood:**

**Our Global Neighbourhood** Commission on Global Governance,1995 Five decades after World War II and in the aftermath of the Cold War a new world is taking shape Which path the world takes will depend on the extent to which people and their leaders develop the vision of a better world and the strategies the institutions and the will to achieve it This work suggests approaches to the governance of our increasingly interdependent human society It makes recommendations to promote the security of people manage economic interdependence strengthen international law and reform the United Nations and other institutions *Toward Genuine Global Governance* Errol E. Harris,James A. Yunker,1999-06-30 Nine well known authors associated with the world federalist movement critique the 1995 Report of the Commission on Global Governance entitled Our Global Neighborhood Although the contributors manifest a variety of viewpoints styles and approaches they are unanimous in condemning the Report as insufficiently imaginative and visionary Despite repeated calls in the Commission Report for a radically new way of thinking the substance of the Report mindlessly rubber stamps the legitimacy of the sovereign nation state system of today by means of summarily and peremptorily dismissing even the possibility of a supernational government qualitatively beyond the United Nations According to the contributors the concept of genuine world government is sufficiently advanced and the circumstances of the present day are conducive so that this concept is deserving of the most careful and serious attention by the general public and the political leadership Despite their unconventional conclusions these essays are lucid judicious and commanding

**A People's Response to Our Global Neighborhood** Michael Hays,1995 **Confronting War** Ronald J. Glossop,2012-07-24 This immensely successful textbook is broken into four parts Part One Introduction to the War Problem discusses the nature of the war problem the conceptual framework and the historical framework Part Two Causes of War talks about the cause of war group competition and group identification other views about causes of war and the value of war In Part Three The Contemporary Situation the reader will learn about ideological aspects national historical aspects military aspects institutional aspects and legal aspects of the contemporary situation Part Four Proposals for Solving the War Problem discusses reforming the attitudes of individuals reforming the internal operation of national governments reforming the policies of national governments and reforming the international system It also includes maps tables and charts which will be especially helpful to the reader Instructors considering this book for use in a course may request an examination copy here
