## **Our Mama Is A Beautiful Garden:**

**My Second Childhood** K. L. Smith, 2025-03-17 My Second Childhood is a collection of my random thoughts and memories I have lived through my first childhood and many years of being an adult Everything has seasons in the sun including us The spring summer and fall of my life have passed too quickly I am now living in the winter of my life or as some may call it my second childhood I consider it a blessing to have lived long enough to reach old age It is a gift that everyone does not receive I have released myself from the binding ties of doing what others think I should do I am no longer obligated to employers nor bonded by schedules I have turned the child in me loose to enjoy the last days of my life I am grateful that God has allowed me and my husband of nearly sixty years to enjoy our second childhood together I have time to sit for hours and reminisce and remember moments from my past I have time to analyze stories that were told to me by my ancestors about my family s history I wonder how much of the stories are true and complete Have there been parts of the stories omitted Relatives who have been disowned may not have been included in the accounts of the past We all have secrets and stories that we will never tell What secrets have not been told in these stories Are the stories altered or enhanced to make the past more glorified or sensational There are many questions that I wish I had asked my relatives while they were still alive The answers to these questions will probably go unanswered Over the years I have heard varying accounts of the same stories of our family s history from my younger ancestors Their stories are not congruent with the family history told to me from the lips of my ancestors Their stories do not track with the things that I myself experienced and observed in the presence of my long deceased relatives I was there in the flesh with some of these relatives I can still close my eyes and see them in my mind s eyes I can still hear their voices in my mind s ears I remember these relatives and what they were like In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family s history according to how it was told to me and from my personal observations and experiences As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God s beautiful world Ultimately we are all God s children and brothers and sisters in Christ We are all connected through God *Both Feet in One Shoe: My Story of Leaving Italy and Making a New Life in San Francisco* Rose Rinaldi, 2016-09-22 This detailed account of Rose s journey to America highlights her hopes dreams fears and realities She is so grateful for all those who helped her especially when she arrived in the United States as a young lady and showing her the beauty of living in San Francisco In this book Rose Rinaldi describes growing up in the small town of Verbicaro in southern Italy and her journey to the United States She thanks her parents and family and friends for helping along the way and with their support love and guidance to become the person she is today *Original Love* J.J. Murray, 2008-09-01 Peter Underhill was smitten by Ebony Mills the moment she joined his street hockey team a coal eyed tomboy goddess as dark and dazzling as he was pale and

awkward That she returned his affection was a boy s dream come true But despite a bond that grew into their teens Peter s intolerant father and Ebony s meddling family finally forced them apart That was twenty years ago and Peter has been trying to find his way back to his first and true love ever since When she was a kid Ebony feared no one not even Peter s violent bigoted father Back then Ebony said she d love Peter forever and she meant it It didn t matter that they couldn t share milestones like the high school prom together what they had was the real thing and nobody could take it away or could they Even now Ebony doesn t quite understand how she and Peter disappeared from each other s lives Has the hatred that surrounded them finally won Ebony doesn t want to believe that but she knows one thing if she ever has the chance to reunite with Peter she ll never let him go Because you don t throw away something that only comes along once in a lifetime You don t mess with original love
