Out Of The Mount 19 From New Play Project:

Latter-gay Saints Gerald S. Argetsinger, Jeff Laver, Johnny Townsend, 2013 Latter Gay Saints brings together twenty five exemplary short works depicting a variety of perspectives of what it means to be both Mormon and queer Some portray characters determined to reconcile their sexuality with the Mormon faith in accordance with its constantly evolving teachings and policies The majority present the realities of queer Mormons who have come to terms with their sexuality in a variety of alternative ways Others are written from outside the Mormon community commenting on often strange encounters with Mormons who are gay These stories are also of value for the broader GLBT community revealing similarities that people of faith regardless of which faith face in attempting to negotiate their religious heritage with their homosexuality Some in the GLBT community find a way while others do not leaving their faith or having it ripped from them They are all individuals searching for answers to life s puzzles

Mormons and Popular Culture J. Michael Hunter, 2012-12-05 Many people are unaware of how influential Mormons have been on American popular culture This book parts the curtain and looks behind the scenes at the little known but important influence Mormons have had on popular culture in the United States and beyond **Mormons and Popular Culture** The Global Influence of an American Phenomenon provides an unprecedented comprehensive treatment of Mormons and popular culture Authored by a Mormon studies librarian and author of numerous writings regarding Mormon folklore culture and history this book provides students scholars and interested readers with an introduction and wide ranging overview of the topic that can serve as a key reference book on the topic The work contains fascinating coverage on the most influential Mormon actors musicians fashion designers writers artists media personalities and athletes Some topics such as the Mormon influence at Disney and how Mormon inventors have assisted in transforming American popular culture through the inventions of television stereophonic sound video games and computer generated animation represent largely unknown information The broad overview of Mormons and American popular culture offered can be used as a launching pad for further investigation researchers will find the references within the book s well documented chapters helpful
