Barbara Hannay

Outback Of The Grumpy Hermit:

Outback Baby Barbara Hannay, 2014-08-15 Max Jardine always behaves like a bossy big brother to Gemma Brown. Except for one night five years ago a night they have never talked about since. But now Gemma is moving into Max's remote Outback home to help him care for a friend's baby. Seeing stubborn gorgeous Max with a baby in his arms confuses Gemma almost as much as it intrigues Max to see Gemma all grown up. And tension mounts as they confront the past.

Desert Flame Nicole R. Taylor, 2021-06-18 Vampires, convicts, and revenge plots. Who knew small town living could be so complicated. The Australian Outback is a vast landscape rich with natural resources but it's also an ancient land imbued with magic, some forgotten and some just simmering underneath the surface. Solace, the small opal mining town in outback New South Wales, has both. But when big time mining company EarthBore sets up camp north of town, the Exiles are worried. There's no telling what kind of impact it will have on the seal they're protecting and if it fractures, it could unleash a devastating power onto the world, leaving it in ruin. The moment resident opal buyer and vampire Hardy looks into their new neighbours, he runs into an old acquaintance who makes one thing clear: their arrival is no coincidence. Solace has something they want, but the problem is Solace isn't selling. Hardy's painful convict past collides with the Exile's future in spectacular fashion, and as the threat grows, they will have to make their most difficult choice yet: stay protectors or go to war. Desert Flame is the third book in Australian Supernatural Origins, an urban fantasy series set in the ancient magical red heart of the Australian Outback. Vampires, time travellers, and government conspiracies threaten to unleash an ancient horror in this thrilling new story.
