**Outline Studies in Christian Doctrine** George P. Pardington, 2010-01-01 Outline Studies in Christian Doctrine has been a primer for many thousands of Bible school students who as missionaries ministers and lay Christians have carried its teaching to every part of our world George P Pardington son of a Methodist minister had the advantage of a classical education Drew University earning his doctorate in 1898 from New York University Early drawn to A B Simpson and his Friday meetings in New York City Pardington devoted most of his professional life to teaching at Simpson's Missionary Training Institute now Nyack New York College Severely handicapped as the result of a merciless beating at age 10 by his schoolteacher Pardington did not let physical suffering suppress his victorious spirit or his keen sense of humor He regaled his students with his wit and motivated them by the warmth of his unwavering devotion to Jesus Christ and the Scriptures Published posthumously following the author's untimely death in 1915 at age 49 has been in continuous print for nearly three quarters of a century The chapters of this book prepared personally by the author just prior to his death distill the essence of his classroom teaching

**OUTLINE STUDIES IN CHRISTIAN DOCTRINE** Chloe Breyer, 1926 [Systematic Theology, Volume 1, Fourth Edition](#) James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of

Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman

A Journal of Anglican Theology 1991A gold mine of helpful material The Christian Century May 29 June 5 1991No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological

SeminaryOne of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

King,2011-08-05 Employing studies in population ecology as a framework for understanding the growth of religious movements Disfellowshiped traces the growth of the Pentecostal movement The author explores how the Pentecostal movement developed in relationship to Fundamentalism from its roots in the Holiness movement to the formation of the National Association of Evangelicals Particular attention is given to the various critiques and rebuttals exchanged between Fundamentalists and Pentecostals exploring how these two movements influenced and shaped one another This book shows how despite their mutual antagonism these two movements held far more in common than in contrast This book will be of great importance to all those interested in the history of Fundamentalism and the rise of Pentecostalism **Introducing Christian Doctrine** Millard J.
