Outstanding Lessons For Y3 Maths:

Driving school improvement, second edition Pamela Macklin, Vic Zbar, 2021-01-01 Driving School Improvement Practical Strategies and Tools is designed to support school leaders in practical adaptable and context specific ways to advance their school's improvement journey With a Foreword by Michael Fullan the focus of the book is implementation A broad collection of tools activities and pro formas are provided which have been used successfully in a range of schools School leaders can begin at their school's point of need and select the path that is most valuable to their setting This second edition builds on the success of the original resource and with extensive feedback from the field delivers significantly expanded refined and updated research case studies and techniques to help schools meet the implementation challenge With the help of Driving School Improvement whole school improvement can be embedded so that it becomes truly sustainable resulting in measurable long term progress in learning outcomes for schools teachers and students **100 New Maths**

Framework Lessons for Year 3 Ann Montague-Smith, Ann Morgan, 2007 Best selling resources to support you with the Renewed Maths Framework with interactive activities on CD ROM for your interactive whiteboard Provides you with all the planning and lesson ideas to teach the Renewed Maths Framework Ongoing assessment ideas and activities to keep your children on track and monitor progression Extend and support more and less confident pupils with ideas for further work Supports maths teaching and learning with a set of unique interactive whiteboard tools including interactive number grids graphing tools and clocks The CD ROM allows seamless differentiation between core support and extension worksheets Templates are also provided so you can customise to your own requirements **Maximising the Impact of Teaching**

Assistants Anthony Russell, Rob Webster, Peter Blatchford, 2013 Teaching assistants have become an integral part of classroom life yet pioneering research by the authors has shown that school leaders and teachers are not making the most of this valued resource Results from the Deployment and Impact of Support Staff DISS project showed that the more support pupils received from teaching assistants the less academic progress they made Yet it is not decisions made by the teaching assistants themselves but decisions made by school leaders and teachers about how their support staff are used and prepared which explains these provocative results Prompted by the wake up call the DISS project findings provided this timely book of guidance will help school leaders and teachers in primary and secondary schools improve the way they use teaching assistants and will add real value to what can be achieved in the classroom Based on the authors collaborative work with schools in the Effective Deployment of Teaching Assistants EDTA project this book provides essential practical tools and classroom tested strategies that will allow schools to conduct a fundamental review of current practice and provides a framework for reforming teaching assistant deployment and preparation and the way they interact with pupils Maximising the Impact of Teaching Assistants provides much needed and well informed guidance on how to unleash the huge potential of teaching assistants working in schools and is essential reading for all school leaders **Resources in Education** ,1992-08
