The Efficient Practice David L. Lawrence, 2014-02-17 An essential guide to tools and techniques for achieving efficiency productivity and profitability in financial advisory firms As a profession financial advisors have been very well educated on how to be a financial advisor but the industry does a poor job of preparing financial advisors to be great business owners This book presents the Profit Driven Architecture a visual way of viewing the operational structure of a financial practice Provides a concrete way of understanding and improving the interrelationship of different parts of the operations of a financial practice firm Explains how to increase the efficiency productivity and profitability of the firm recognizing the interrelationships with one another Reveals how to increase the capacity and value of the practice Given an aging population of financial advisors and increased focus on succession planning increasing the value of a financial practice is a key deliverable of efficiency and this book showcases the best ways to do so

An Unbroken Educational Apartheid Legacy

David E. Morgan Ph.D., 2015-03-17 This is a thought provoking book on the black white academic achievement gap in Chicago's predominantly black communities of color and what highly effective school boards can do to change it In this book the reader will be powerfully enlightened by a civil and human rights debate that calls for effective leadership in our schools beginning with effective school boards The primary agenda of effective school boards is raising student achievement performance levels and engaging the school district community to attain that goal These instructive analyses of effective school board leadership builds on the research and wisdom of great leaders Simultaneously it develops a breath of fresh air for school reformers who seek to implement a new model and escape the insanity and pathology inherent in school board dysfunctions and violations of our civil and human rights which prevents progress in Chicago's south suburban communities of color In both highs and lows of awesome moments as educational reform leaders and school board members we are in a strategic leadership position to help school boards carry out their essential responsibilities for creating equity and excellence in public education In doing so highly effective school leaders can team with our school board leaders to lead our school district communities in preparing all students to succeed in a rapidly changing global society School board members doing

the same things over and over again and then expecting different results in academic outcomes is the definition for insanity Education is freedom In an era of mass educational apartheid with its consequent mass incarceration of blacks that has surpassed the enforced chattel bondage of slavery s peak numbers in 1860 this book addresses a subject that is critically essential timely and in need of immediate attention for the security success and ultimate survival of black America As the problems of the academic under achievement gap is addressed in this book it is also essential that school boards educators and community and national leaders accept reality to view the problem in its true perspective to contemplate it as it is in providing essential solutions toward removing limiting and limited school boards dysfunctions obstructions and other barriers to academic achievement in effective school board leadership Supporting educational excellence will thereby produce more African American scholars in mathematics science and in many other disciplines This book will provide information and focus on some key action areas that successful school boards in America and around the world have focused their attention on Vision Standards Assessment Resource Alignment Climate Collaboration and Continuous Academic Improvement

The Teaming Church Robert C. Crosby,2012-10-01 A committee is not the same thing as a team To become a great team a group must have a goal that is deeply challenging a leader who is creatively empowering and a willingness to work within a collaborative community that honors the Bible The Bible is full of examples of great things accomplished through teaming leaders Scripture also provides a compelling model from which church communities and teams can learn to live and serve in light of the Divine Team the Trinity Author Robert C Crosby provides several innovative ways in which biblical teams reflect the workings and nature of the Trinity and thus the image of God Revealing what he calls The Four C s of Great Teams The Character The Carrot The Coach and The Context Crosby shows how successful teams reach their goals more effectively Conversely he also addresses the Four Fatal Teaming Errors and how to avoid unnecessary time consuming missteps This book provides biblical motivations vivid examples and practical approaches for creating a teaming culture in any faith community Crosby a leader who has built teams as a senior pastor youth leader and university administrator is now training and mentoring a new generation of pastors and leaders

thomas francis,2024-07-25 Overcoming the Five Dysfunctions of a Team In the fast paced and highly competitive world of business the ability of teams to function effectively can mean the difference between success and failure. Teams that work well together can produce extraordinary results, drive innovation and achieve goals that far exceed the capabilities of any single individual. Conversely, teams plagued by dysfunction can become mired in conflict, lose focus and ultimately fail to achieve their objectives. Understanding and overcoming the common dysfunctions that affect teams is essential for any leader seeking to harness the full potential of their team.
