confronted with the devil's attempts to project his demonic prophecies onto your life or the lives of your loved ones May God illuminate your spirit and grant you understanding so that this book may truly enrich your life and the lives of those dear to you May God bless you abundantly

HOW TO BREAK FREE FROM EVIL DREAMS Hlompho Phamodi, 2015-12-16 How the enemy uses dreams to corrupt and manipulate your life Are you having evil dreams that you cannot explain Are you feeling powerless over dream attacks Does the enemy have access into your dream life Are you tired of bondage The dream world is acknowledged by both the Bible and science It is a mysterious world that human beings have never mastered There is a lot that happens in the night It is your responsibility as a child of God to know how to monitor your dreams To know the difference between when God speaks to you or when the devil speaks to you through dreams A lot of lives are targeted at this time and the enemy unfortunately has access to the minds of both the saved and unsaved If discerned and prayed against dream attacks are powerless but if left unchecked they can destroy lives marriages and even destinies

Warfare Prayers Against Evil Dreams Dr. Olusola Coker, 2019-10-26 Unfortunately most Christians allow Evil dreams to take over their lives As Christians we are not supposed to allow Evil dreams to dominate our lives A lot of people don't know how to stop Evil dreams from taking over their lives This is the reason Dr Olusola Coker carefully explains the meaning of Evil dreams types of Evil dreams and how to deal with them

120 Common Dreams and their Interpretations With Dr. Olusola Coker, 2018-10-05 One of the many ways God communicate with us is through Dreams He made promise that he would talk to his own people through dreams in the last days 90% of revelation knowledge that we need in order to overcome our problem can be revealed to us in the dreams and it is said that to be informed is to be transformed Dreams can come from God it can come from man it can also come from the Devil if you cannot interpreter your dreams properly then there is no solution to your problem as you may not know how to address it Hence this book will help you interpret your dreams and enough prayers to back it up If you do not dream at all or you feel you do not dream then this could be very dangerous If God want to talk to you you will definitely not hear because the communication chain has been blocked Please note that only aggressively prayers will deliver you from not remembering your dreams it should be taken very seriously
