**Sermons** Dwight Lyman Moody, 2021-04-25 In *The Overcoming Life and Other Sermons* Dwight Lyman Moody explores the transformative power of Christian faith through a series of impassioned sermons. The book is characterized by its accessible literary style, blending fervent rhetoric with poignant theological reflection. Moody's emphasis on the practical application of spiritual principles resonates deeply with the Evangelical movement of the late 19th century, positioning the text within a broader context of American revivalism. Each sermon serves as both a manifesto for personal spiritual renewal and an exhortation to embrace a life rooted in divine strength and perseverance. Dwight Lyman Moody, a prominent American evangelist, was deeply influenced by personal experiences of faith and the urgency of redemption. Raised in a poor family, his humble beginnings led him to become a tireless advocate for Christian outreach and education, emphasizing the importance of a personal relationship with Christ. His work reflects a deep commitment to social reform and the uplifting of marginalized communities, which shaped both his ministry and his written works, including this collection of powerful sermons. This compelling volume is recommended for anyone seeking to deepen their understanding of Christian faith and its practical implications in daily life. Moody's heartfelt messages and profound insights make this collection a vital resource for both personal edification and communal worship, inspiring readers to live an overcoming life grounded in hope and strength.

Waking the Women Jayne Manfredi, 2024-10-24 Women over the age of 40 are by far the biggest and the most active demographic in the Church of England. But while a huge proportion of any given congregation will likely have experienced menopause, it still remains largely unacknowledged, unspoken, and unaddressed. It is almost entirely taboo as a topic of conversation in churches. Writing with refreshing frankness, popular blogger and broadcaster Jayne Manfredi uses biblical reflection, prophetic storytelling, and prayer to journey with those experiencing the dreaded *m-word*. Facing the menopause head-on and by turns hilarious and moving, *Waking the Women* offers a challenge to destigmatize women's experiences by opening up the conversation around midlife and ageing in the church.

*Theologies of Failure* Robert Sirvent, Duncan B. Reyburn, 2020-01-01 What does failure mean for theology? In the Bible, we find some unsettling answers to this question. We find lastness usurping firstness and foolishness undoing wisdom. We discover too a weakness more potent than strength and a loss of life that is essential to finding life. Jesus himself offers an array of paradoxes and puzzles through his life and teachings. He even submits himself to humiliation and death to show the cosmos the true meaning of victory. As David Bentley Hart observes, most of us would find Christians truly cast in the New Testament mold: fairly obnoxious, civically reprobate, ideologically unsound, economically destructive, politically irresponsible, socially discreditable, and really just a bit indecent. By incorporating the work of scholars working with a range of frameworks within the Christian tradition, *Theologies of Failure* aims to offer a unique and important contribution on understanding and embracing failure as a pivotal theological category. As the various contributors highlight, it is a category with a powerful capacity for illuminating our theological concerns and perspectives. It is a category that frees us to see old ideas in a brand new light and helps to foster an awareness of ideas that

certain modes of analysis may have obscured from our vision In short this book invites readers to consider how both theology and failure can help us ask new questions discover new possibilities and refuse the ways of the world **The overcoming life; or, Thoughts on the life of Christ in the soul of the believer** Edward William Moore,1882 **The Churchman**,1892 *The Overcoming Life and Other Sermons* Dwight L.
