Overcoming Procrastination K. B. Bryson, 2014-07-13 Okay let's face it at some point in our life all of us have said we are going to get a certain task done yet we ended up not lifting a finger to do anything about it that is until someone yells at us about it However some people are chronic procrastinators If you constantly avoid getting things done and have a mountain of excuses lined up to explain the reasons why you are unable to do them then look in the mirror and you will see a procrastinator Most often these reasons are only excuses to avoid doing the real task and going through the emotional discomfort that often comes with making significant changes in our careers and in our lives Procrastination can exact a pretty steep toll on your business career relationships health and finances We all hate to admit it but in choosing to put off tasks that can be performed today for tomorrow we unwittingly surrender our happiness You may be tempted to play it safe especially when you are seriously thinking about improving your lot in life but do you really want to look back a few years from now and blame yourself for wasting time in getting certain things done That's where this book comes in Join me for this quick read and you'll be well on your way to getting things done now
