Importance of Travel in Personal Growth Suggested Reading Paths Based on Interests e.g. Best Books for Solo Travelers
Essential Reads for History Lovers Encouragement to Explore the World Through Books and Travel **Ghana** Philip Briggs, 2025-12-19 This new thoroughly updated ninth edition of Bradt's Ghana remains the only dedicated guidebook to this beguiling country and the most comprehensive source of travel information about it. One of West Africa's few English-speaking nations, the first country in sub-Saharan Africa to gain independence and the world's second largest producer of chocolate, Ghana is friendly, safe and inexpensive, making it an ideal destination for first-time visitors to the continent. Ghana is a country more about experiencing the unique and authentic than ticking off a series of boxes. Although smaller than the UK, it is rich in little-visited national parks, forest reserves, cultural sites and scenic waterfalls and is blessed with bleached white beaches and lush rainforest along 550 kilometres of Atlantic coastline. Written by Philip Briggs, arguably the world's most experienced guidebook writer, and updated by a travel writer specialising in Africa, Bradt's Ghana guidebook provides everything you need to know to plan and enjoy your trip. Its coverage ranges from inexpensive opportunities to see wildlife to cultural and historical aspects, from the solemnity of the slave dungeons at Elmina's UNESCO-listed castle to villages near its remote and sparsely populated northern border with Burkina Faso. Twenty-two chapters across five regional sections are complemented by extensive background and practical information, plus a dedicated wildlife chapter. With Bradt's Ghana, you can explore the popular Cape Coast or the Ashanti region, marvel at elephants while on a walking safari in Mole National Park, enjoy creativity at the high-profile Chale Wote Street Art festival or party night long in the glittering Osu district of the national capital Accra. Fresh elements of this edition include Zimmaziwo Snake Village, several waterfalls, Sesiamang Sisi Stone City, Mim Bour Mountains and the Wuriyanga mud mosque. No matter what your interests are, this new ninth edition of Bradt's Ghana is an unrivalled companion for everyone, from first-time travellers to Africa to seasoned explorers and those spending prolonged periods in the country. **Sudan** Sophie Ibbotson, Max Lovell-Hoare, 2012-11-26 The only guide dedicated solely to the new Republic of the Sudan. Explore entire pyramids and other ancient sites entirely free of tourist crowds. Drink in views over the Sudanese plains from the granite Taka Mountains. Dive the reef where Jacques Cousteau conducted his experiment in underwater living. Experience Sudan's cultural diversity among the 50 tribes of the Nuba Mountains. Read advice on where to stay, eat, travelling safely and cultural etiquette. As a staple of bleak news headlines, Sudan has been slow to make its abundant attractions known to the outside world. Few foreigners have heard of the Kingdom of Kush, walked among the isolated pyramids of Meroe or witnessed the whirling dervishes of Omdurman. Yet those who do make it here are invariably enchanted by its easy-going nature, fascinating history and the warm welcome they receive from the Sudanese people. This, the only stand-alone guide to post-partition Sudan, leads you expertly from the labyrinthine souks of Khartoum to coral-bedecked wrecks off the Red Sea coast. Whether you're rushing through on the trans-Africa trail or whiling away weeks among rich archaeological sites, this fully revised third edition is your indispensable companion. **Handbook of**
