## **Papa Hemingway A Personal Memoir:**

Papa Hemingway A. E. Hotchner, 2018-04-17 An intimate joy filled portrait and New York Times bestseller written by one of Hemingway's closest friends. It is hard to imagine a better biography. Life In 1948 A E Hotchner went to Cuba to ask Ernest Hemingway to write an article on The Future of Literature for Cosmopolitan magazine. The article never materialized but from that first meeting at the El Floridita bar in Havana until Hemingway's death in 1961 Hotchner and the Nobel and Pulitzer Prize winning author developed a deep and abiding friendship. They caroused in New York City and Rome, ran with the bulls in Pamplona, hunted in Idaho and fished the waters off Cuba. Every time they got together Hemingway held forth on an astonishing variety of subjects from the art of the perfect daiquiri to Paris in the 1920s to his boyhood in Oak Park, Illinois. Thankfully Hotchner took it all down. Papa Hemingway provides fascinating details about Hemingway's daily routine including the German army belt he wore and his habit of writing descriptive passages in longhand and dialogue on a typewriter and documents his memories of Gertrude Stein, F Scott Fitzgerald, Martha Gellhorn, Marlene Dietrich and many of the twentieth century's most notable artists and celebrities. In the literary icon's final years as his poor health began to affect his work Hotchner tenderly and honestly portrays Hemingway's valiant attempts to beat back the depression that would lead him to take his own life. Deeply compassionate and highly entertaining this remarkable New York Times bestseller makes Hemingway live for us as nothing else has done. The Wall Street Journal

**Hemingway** A. E. Hotchner, 1966 Hemingway in Love A. E. Hotchner, 2016-06-16 In June of 1961 A E Hotchner visited an old friend in the psychiatric ward of St Mary's Hospital. It would be the last time they spoke. A few weeks later Ernest

Hemingway was released home where he took his own life. Their final conversation was also the final installment in a story whose telling Hemingway had spread over more than a decade. In characteristically pragmatic terms Hemingway revealed to Hotchner the details of the affair that destroyed his first marriage, the truth of his romantic life in Paris and how he lost Hadley, the true part of each literary woman he'd later create and the great love he spent the rest of his life seeking. And he told of the mischief that made him a legend of impotence cured in a house of God of a plane crash in the African bush from which Hemingway stumbled with a bunch of bananas and a bottle of gin in hand of F Scott Fitzgerald dispensing romantic advice and champagne in the buff with Josephine Baker of adventure, human error and life after lost love. This is Hemingway as you've never known him: humble, thoughtful and full of regret. To protect the feelings of Ernest's wife Mary, also a close friend, Hotch held back keeping the conversations to himself for decades. Now for the first time he tells the whole story mostly in Hemingway's own words. Hemingway in Love is the intimate and repently candid chapter missing from the definitive
