Paper Bag Crocodile Puppet:

The Storytime Handbook Nina Schatzkamer Miller, 2014-01-23 Fresh fun ideas for children's storytime fill this book. The author, a long-time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays, all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games, and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Libraries, bookstores, preschools, and parents alike can use this book to offer themed storytimes that include discussion, literature, art, music, movement, and food. Options are provided for each storytime so the ideas can be used year after year.

Books in Motion Julie Dietzel-Glair, 2013-04-09 Librarians and educators can shake up storytimes, help children stay healthy, and encourage a lifelong love of reading with Dietzel-Glair's easy-to-use resource. Demonstrating exactly how to use children's books to engage preschool-age children through movement, it's loaded with storytimes that will have children standing up tall, balancing as they pretend to walk across a bridge or even flying around the room like an airplane. Presenting hundreds of ideas, this all-in-one book is divided into six sections: Art spotlights titles that are natural hooks for art or craft activities alongside ideas on how to create art just like the character in the story; while an appendix includes art patterns that can be used as coloring sheets. Games includes searching games, follow the leader games, and guessing games to enhance the books in this section. Movement features books that kids can jump, stomp, clap, chomp, waddle, parade, wiggle, and stretch with. Music chooses books perfect for activities like shaking a maraca, singing, dancing between the pages, and creating new sound effects. Playacting lets kids pretend along with the characters in these books, whether it's washing their face, swimming with fish, or hunting a lion. Props encourages storytime leaders to bring out their puppets, flannelboard pieces, and scarves; these books have enough props for everyone in the program to have a part. Each chapter includes as much instruction as possible for a wide range of motions. Pick and choose the amount of movement that is right for your storytime crowd or do it all.

Teaching Reading with Literature Gail E. Tompkins, Lea M. McGee, 1993 Complete with step-by-step action plans, this book provides the theories, techniques, and tools pre-service and in-service teachers need to implement an effective literature-based reading program.
