*Burnham's Celestial Handbook, Volume Three* Robert Burnham, 2013-04-15 Volume III of a comprehensive three part guide to celestial objects outside our solar system concludes with listings from Pavo to Vulpecula While there are many books on stars there is only one *Celestial Handbook* Now completely revised through 1977 this unique and necessary reference is available once again to guide amateur and advanced astronomers in their knowledge and enjoyment of the stars After an extensive introduction in Volume I which gives the beginner enough information to follow about 80 percent of the body of the material the author gives comprehensive coverage to the thousands of celestial objects

outside our solar system that are within the range of telescopes in the two to twelve inch range The objects are grouped according to the constellations in which they appear Each constellation is divided into four subject sections list of double and multiple stars list of variable stars list of star clusters nebulae and galaxies and descriptive notes For each object the author gives names celestial coordinates classification and full physical description These together with a star atlas will help you find and identify almost every object of interest But the joy of the book is the descriptive notes that follow They cover history unusual movements or appearance and currently accepted explanations of such visible phenomena as white dwarfs novae and super novae cepheids mira type variables dark nebulae gaseous nebulae eclipsing binary stars the large Magellanic cloud the evolution of a star cluster and hundreds of other topics many of which are difficult to find in one place Hundreds of charts and other visual aids are included to help in identification Over 300 photographs capture the objects and are works of beauty that reflect the enthusiasm that star gazers have for their subject Robert Burnham Jr who was on the staff of the Lowell Observatory Flagstaff Arizona conceived the idea of The Celestial Handbook decades ago when he began assembling a notebook of all the major facts published about each celestial object In its former privately printed edition this handbook was acclaimed as one of the most helpful books for astronomers on any level Paradise Lost John Milton, 2017-04-15 Paradise Lost Books I III is an unchanged high quality reprint of the original edition of 1896 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future *Better To Have Gone* Akash Kapur, 2021-07-20 Beautifully written and structured deeply moving and realised in wise thoughtful chiselled prose it is that rarity a genuine non fiction classic William Dalrymple A troubling and moving account of lives gone wrong in the search for an eastern Utopia Damon Galgut author of the Booker Prize winning The Promise A spellbinding story about love faith the search for utopia and the often devastating cost of idealism It s the late 1960s and two lovers converge on an arid patch of earth in South India John Walker is the handsome scion of a powerful East Coast American family Diane Maes is a beautiful hippie from Belgium They have come to build a new world Auroville an international utopian community for thousands of people Their faith is strong the future bright So how do John and Diane end up dying two decades later on the same day on a cracked concrete floor in a thatch hut by a remote canyon This is the mystery Akash Kapur sets out to solve in Better to Have Gone and it carries deep personal resonance Diane and John were the parents of Akash s wife Auralice Akash and Auralice grew up in Auroville like the rest of their community they never really understood those deaths In 2004 Akash and Auralice return to Auroville from New York where they have been living with John s family As they re establish themselves along with their two sons in the community they must confront the ghosts of those distant deaths Slowly they come to understand how the tragic individual

fates of John and Diane intersected with the collective history of their town Better to Have Gone is a book about the human cost of our age old quest for a more perfect world It probes the under explored yet universal idea of utopia and it portrays in vivid detail the daily life of one utopian community Richly atmospheric and filled with remarkable characters spread across time and continents this is narrative writing of the highest order a heartbreaking unforgettable story **Damaged Lives** Jeffrey Jay Folks,2005 Drawing on the theories of philosophers of ethics including Hannah Arendt and Alasdair MacIntyre Damaged Lives Southern and Caribbean Narrative from Faulkner to Naipaul studies how moral skepticism harms ordinary human beings In response to an indecisive and uncommitted culture many writers from the American South and the Caribbean have sought unambiguous sources of order and belief Damaged Lives shows how a yearning for conviction pervades the writing of William Faulkner F Scott Fitzgerald James Agee Flannery O Connor Mary Hood and V S Naipaul This book will be useful in courses on modern American and Caribbean literature as well as in courses on ethics American studies and cultural studies Paradise Fever Ptolemy Tompkins,1997 It is the 70s a time of cosmic sometimes alarming optimism which could justify all manner of scientific and not so scientific investigations In such a transcendent spirit Peter Tompkins surprises both his wife and son by introducing into the household a second mate a Manhattan socialite named Betty And in 1974 he moves to Bimini with Ptolemy in tow to search for the lost continent of Atlantis **Performance in the Blockades of Neoliberalism** M. Wickstrom,2012-02-10 This book ranges from refugee camps in Palestine to halting sites of the Irish Travellers and elsewhere in search of a new politics practiced through performance Written through the intersection of performance and philosophy the book refutes neoliberalism s depoliticizing and strategic uses of humanitarianism human rights and development R.E.D.
