Pardon and Parole Board
2915 North Classen Boulevard
Suite 405
Oklahoma City, OK 73106

Dear Board Members,

I understand the gravity of the decision before you. In my ten years as an elected official, I have been asked to assist in obtaining parole eleven times. This is the first letter I have ever written. Thank you for your willingness to take on such a tremendous responsibility.

In the interest of transparency, I have never met Phillip Meadows. Though I have spent most of my life in Stillwater, our families do not know each other, we never ran in the same circles growing up, nor do we have a long list of mutual friends. I write this letter on behalf of someone who is a virtual stranger to me. Never the less, I am compelled to ask you to grant Mr. Meadows parole.

I am an attorney by trade, having been sworn into the Bar in 2006. One of the primary reasons I ran for office in 2008 was criminal justice reform. I was heartbroken by how much we spend to warehouse individuals convicted of crimes... and conversely, how little we spend to educate our most precious resource. The funding conflicts in our administration of justice have created a system predicated upon having more and more participants in the system. I have spent the last ten years championing reforms, treatment, community sentencing and rehabilitation.

Certainly, Mr. Meadows does not fit the normal profile of a poster-child for criminal justice reform. He had counsel and pled guilty to a heinous, violent crime. This is not a situation where the system is to blame. Mr. Meadows really has no one to blame but himself. And he does- you will see throughout his jacket that Mr. Meadows takes full responsibility for his actions.

However, I believe in criminal justice reform. Three years ago I shepherded a bill through the legislature to add sentencing options to the crime of drug trafficking. Not necessarily a popular stance to take for an elected official. But from that bill, Governor Fallin has been able to

George, 2005 In a diverse democracy law must be open to all. All too often however our system of justice has failed to live up to our shared ideals because it excludes individuals and communities even as they seek to use it or find themselves caught up in it. The research presented here offers hope. The abstract doctrines of the law are presented through real cases. Judges, lawyers, scholars, and concerned citizens will find much in these pages documenting the need for reform along with the means for achieving our aspirations. The issues presented by race, ethnicity, and cultural differences are obviously central to the resolution of disputes in a nation made up of people who have in common only their faith in the great experiment of the United States Constitution. Here the challenges are met in an original, accessible, and thoughtful manner. Frank H. Wu, Howard University, and author of *Yellow: Race in America Beyond Black and White*. Kim Barrett and William George have taken on an enormous task which is matched only by its timeliness. Cultural competence and cultural diversity pass off our lips as eternally valued ideals but Barrett and George have brought a critical and edifying eye to these ideas. Racism is similarly easy to acknowledge but difficult to account for in the everyday lives of ordinary people of color. What we discover in this impressive volume is not only that race and culture matter but how they matter in the minds of people who are clients and the minds of people who attempt to serve them and in the courts of law that attempt to mete out justice. *Race, Culture, Psychology, and the Law* is essential reading for anyone with a professional or personal interest in social justice and psychological well-being. James M. Jones, Ph.D., Director, Minority Fellowship Program, American Psychological Association. This is an extraordinary and daring compilation of cutting-edge commentaries that should prove invaluable to students, scholars, and practitioners working in social work, clinical and forensic psychology, juvenile justice, immigration, adjustment, Native American advocacy, and child and adult abuse. It is a quality text that tackles key topics bridged by psychology and the law with clarity, succinctness, complexity, and evenhandedness. William E. Cross Jr., Ph.D., Graduate Center, City University of New York. American ethnic and racial minority groups, immigrants and refugees to this country are disproportionately impacted by the justice system of the United States. Issues such as racial profiling, disproportionate incarceration, deportation, and capital punishment all exemplify situations in which the legal system must attend to matters of race and culture in a competent and humane fashion. *Race, Culture, Psychology, and Law* is the only book to provide summaries and analyses of culturally competent psychological and social services encountered within the U.S. legal arena. The book is broad in scope and covers

the knowledge and practice crucial in providing comprehensive services to ethnic racial and cultural minorities Topics include the importance of race relations psychological testing and evaluation racial profiling disparities in death penalty conviction immigration and domestic violence asylum seekers deportations and civil rights juvenile justice cross cultural lawyering and cultural competency in the administration of justice Race Culture Psychology and Law offers a compendium of knowledge historical background case examples guidelines and practice standards pertinent to professionals in the fields of psychology and law to help them recognize the importance of racial and cultural contexts of their clients Editors Kimberly Holt Barrett and William H George have drawn together contributing authors from a variety of academic disciplines including law psychology sociology social work and family studies These contributors illustrate the delivery of psychological legal and social services to individuals and families from racial minority ethnic minority immigrant and refugee groups who are involved in legal proceedings Race Culture Psychology and Law is a unique and timely text for undergraduate and graduate students studying psychology and law The book is also a vital resource for a variety of professionals such as clinical psychologists forensic psychologists psychiatrists counselors social workers and attorneys dealing with new immigrants and people from various ethnic communities *United States Supreme Court Bulletin* Commerce Clearing House,1986
