Paroles Humaines Parole Christoph Theobald:

La théologie stylistique de la mission chez Christoph Theobald Antoine Ren, 2024-12-09 Avec ses crits monumentaux Christoph Theobald a systématiquement une théologie stylistique La présente recherche étudie la contribution de son approche stylistique théologique à la réflexion missiologique et au renouveau missionnaire de l'Église en postmodernité travers un survol historique des paradigmes missionnaires sous les perspectives du bon du vrai et du beau et en examinant les sources d'inspiration de la théologie de Theobald et son approche stylistique qui en découle ce livre conclut que la théologie de la mission chez Theobald est un nouveau paradigme missiologique et missionnaire Ceci parce que non seulement Theobald développe sa théologie de la mission dans la perspective stylistique mais encore parce qu'il a un regard nouveau sur Dieu et Christ sur les autres et sur l'Église regard qui correspond respectivement ses réponses aux trois questions du pourquoi du quoi et du comment de la mission Ce nouveau paradigme missiologique en resituant l'Église partir de la gratuité de Dieu et du style de la sainteté hospitalière de Jésus dans une position d'centre par rapport la foi intellectuelle des autres pourrait rendre l'Église plus crédible et missionnaire dans la société postmoderne
