**The Outlook** ,1917    **Beyond the Point of Unknown** Ray Cummings,2022-11-13 In Beyond the Point of Unknown Ray Cummings crafts a thrilling narrative that blends science fiction with metaphysical inquiry delving into the realms of

time travel and alternate realities. The book is characterized by its vivid imagery and intricate plot structures enhancing the reader's journey through unknown dimensions and challenging the very fabric of reality. Cummings' sharp dialogue and imaginative scenarios reflect the literary context of early 20th century speculative fiction drawing upon the popular concerns of technological advancement and human existentialism while paving the way for future explorations in the genre. Ray Cummings, often referred to as the father of science fiction, was deeply influenced by the burgeoning innovations of his time, particularly in the field of physics and astronomy. His background as an editor and writer for pulp magazines provided him not only with a platform but also inspired him to push the boundaries of imagination. Cummings' works often reflect his fascination with time, space, and the human condition, making his insights into these themes more profound and resonant. This captivating novel is a must-read for fans of science fiction and speculative literature. Cummings invites readers to contemplate their own existence while navigating through fascinating science and philosophy, making "Beyond the Point of Unknown" not merely a story but an intellectual adventure that provokes thought long after the final page is turned.
