The Business of Yoga Katy Appleton, Natasha Moutran, 2022-11-21 Many yoga teachers feel overwhelmed when it comes to grappling with the marketing and entrepreneurial aspects of their yoga business. With the market for yoga teachers becoming increasingly saturated, it is crucial that yoga teachers understand what makes their offering unique to implement a focussed business strategy. This part guide part workbook helps yoga teachers bridge the gap between the spiritual essence of being a yoga teacher and the financial viability of their business and is based on the authors two decades worth of experience. Covering everything from the nuts and bolts of starting out as a yoga teacher to navigating social media, there is something for everyone whether you're just starting out on your journey or trying to propel your career to the next level. This book is part of the series *Yoga Teaching Guides* which provides expert information on essential topics as well as ideas for creative teaching.
Health Promotion for Nurses Carolyn Chambers Clark, Karen Paraska, 2012 With the increased incidence of chronic diseases, the demand for skilled health promoting professionals has surged. Many professionals working in the field of health promotion lack the necessary tools to apply the skills in their practice. *Health Promotion in Nursing Practice* provides insight not only into the principles of health promotion but also how to translate them into practice. Covering traditional theories, how to use them in practice and research, the synergy model as a new framework for health promotion and relating empirical research. *Health Promotion in Nursing Practice* incorporates chronic diseases, program planning and evaluation. Included in this text are chapter objectives, summaries, articles, key terms, review questions, case studies and exercises to bring theory into practice.
