[The Healing Season of Pottery](#) Yeon Somin,2024-09-19 A heart warming and irresistible novel about the rejuvenating power of pottery for fans of Before The Coffee Gets Cold and What You Are Looking For Is In The Library She rubbed the spoiled clay with her fingertips Like a wound as it heals the traces faded and had soon vanished completely as if they d never been there at all Burnt out by her newswriting job Jungmin abruptly quits she s worked tirelessly for years and she needs to make a change Now after months of hibernation it s time to put her life back together Venturing out into the streets near Seoul she stumbles upon the Soyo pottery workshop Drawn in by its light and warmth and the smell of clay and coffee Jungmin feels something unfurl within her Here everyone has a story to share and as the seasons change Jungmin returns to herself Pot by pot plate by plate Jungmin discovers that as her hands become busier her mind becomes calmer and her heart opens up like never before From a rising talent this is an uplifting story of new friends and old practices of finding community and of what happens when you finally slow down in this fast paced world [Apple](#) Sara Green,2023-08-01 Apple is one of the most famous brands in the world But it didn t start out that way This title introduces young readers to the iconic computer brand through engaging fact filled text crisp photos and more Special features map company headquarters profile an important person show off popular products and highlight important events in the company s history Readers will enjoy learning how their favorite products came to be

[Arriving Today](#) Christopher Mims,2021-09-14 Shortlisted for the 2021 Porchlight Business Book Awards Current Events Public Affairs The Wall Street Journal technology columnist reveals the fascinating story behind the misleadingly simple phrase shoppers take for granted Arriving Today in this eye opening investigation into the new rules of online commerce transportation and supply chain management We are at a tipping point in retail history While consumers are profiting from the convenience of instant gratification rapidly advancing technologies are transforming the way goods are transported and displacing workers in ways never before seen In Arriving Today Christopher Mims goes deep far and wide to uncover how a single product from creation to delivery weaves its way from a factory on the other side of the world to our

doorstep He analyzes the evolving technologies and management strategies necessary to keep the product moving to fulfill consumers demand for arriving today gratification Mims reveals a world where the only thing moving faster than goods in an Amazon warehouse is the rate at which an entire industry is being gutted and rebuilt by innovation and mass shifts in human labor practices He goes behind the scenes to uncover the paradoxes in this shift into the world s busiest port the cabin of an 18 wheeler and Amazon s automated warehouses to explore how the promise of arriving today is fulfilled through a balletic dance between humans and machines The scope of such large scale innovation and expended energy is equal parts inspiring enlightening and horrifying As he offers a glimpse of our future Mims asks us to consider the system s vulnerability and its resilience and who shoulders the burden as we hurtle toward a fully automated system and what it will mean when we are there
