Now available in ePUB format **New York**, 2006 [The Baseball Filmography, 1915 Through 2001](#) Hal Erickson, 2002 Since the first baseball movie Little Sunset was released in 1915 Hollywood has had an on again off again affair with the sport. The resulting relationship has produced a wide array of films some good Field of Dreams A League of Their Own some obscure Roogie's Bump Hot Curves and some flops The Slugger's Wife The Babe Ruth Story This is a detailed look at the 111 fictional baseball films produced and released in the United States from 1915 through 2001. This expanded and updated version of the 1992 first edition includes 29 new films produced between 1991 and 2001. New material includes an entry on 1978's Goodbye Franklin High unavailable for the 1992 edition and revisions to several entries after the uncut versions of several silent and pre 1950 talkie baseball films were made available among them Hit and Run 1924 The Battling Orioles 1924 Slide Kelly Slide 1927 and They Learned About Women 1930. Each entry contains full cast and production credits year of release production company a synopsis and a critique of the movie. Behind the scenes and background information is included. Two additional and completely updated sections cover baseball short subjects and baseball in non baseball films. An extensive bibliography completes the work **Hockey Fight in Canada** David Shoalts, 2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers's bitter rival Bell Canada. The decision was met with equal parts fascination shock and anger. When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada a move that could have saved some of their jobs their disappointment turned to outrage. This is also a story of great irony as the win proved to be costly for the victor in the first years. When Rogers sealed the 5.2 billion twelve year deal it looked like the audacious play might just pay off. The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers's broadcasts in the process. In anticipation Rogers gave Hockey Night in Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean. However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada. It was crushing news for Rogers with cable cutting already shaping into an existential threat. On top of everything Strombo bombed as host and the network had to bring MacLean back. Then things got even worse by the middle of the 2015-16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell

further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and *Hockey Fight in Canada* details every fascinating play in this intersection of sports and business *The Baseball Timeline* Burt Solomon,1997 From baseball s humble beginnings to its modern day pyrotechnics this comprehensive one of a kind and endlessly entertaining volume contains stats and records amazing anecdotes and recreations of great games and heroic events from pre season to post season and all the glory days in between Chicago Tribune Index ,2003
