## Mlb Playoffs Compare:

Statistical Thinking in Sports Jim Albert,Ruud H. Koning,2007-07-12 Since the first athletic events found a fan base sports and statistics have always maintained a tight and at times mythical relationship As a way to relay the telling of a game's drama and attest to the prodigious powers of the heroes involved those reporting on the games tallied up the numbers that they believe best described the action and bes

### **Razor Thin: The Difference Between Winning and Losing**

Luis Valdes,2012-08-27 This book is about excellence Winners and champions are fascinating Whether you are an athlete a performance artist or an ambitious businessman this book is written for you It is about the hard work and tenacity involved in winning and achieving greatness Attaining success is difficult few are able to achieve it and fewer still are able to sustain it This book looks at the greatest athletes and teams of our time and identifies the critical factors in their success Many books discuss the personality factors involved in success this book identifies the specific behaviors that make a champion
