Anglo-American Relations and the Transmission of Ideas Alan P. Dobson (1951-2022), Steve Marsh, 2022-04-08 Too often scholarship on Anglo American political relations has focused on mutual social and economic interests between Britain and the United States as the basis for cooperation Breaking new ground Anglo American Relations and the Transmission of Ideas instead explores how ideas on either side of the Atlantic have mutually influenced each other In those transnational interactions there forms a shared tradition of political ideas facilitating a common cast of mind that has served as the basis for transatlantic relations and socio political values for decades *U.S. Relations with Latin America* United States.

The ^AOxford Handbook of Consequentialism Douglas W. Portmore, 2020-09-17 Consequentialism is a major moral theory and a rival to such non consequentialist theories as deontology contractualism and virtue ethics It is the view that the only thing that matters morally is the consequences of an action Thus consequentialists hold that to assess an act we must first evaluate and rank the various ways things could turn out depending on whether it or some alternative act is performed Its moral permissibility then depends on how its consequences compare to those of its alternatives on this ranking This Handbook contains thirty two previously unpublished contributions by leading scholars covering the state of the art in consequentialist theory as well as pointing to new directions for future research *Congressional Record* United States.
