

OUTWITTING TOMORROW

A golden hourglass is the central focus, with a bright, multi-colored light (yellow, orange, and red) radiating from its top opening. The light forms a wide, fan-like shape that fills the upper half of the image. The hourglass itself is ornate, with a fluted base and a decorative top. The background is a dramatic sunset or sunrise over the Earth's horizon, with the blue and white curve of the planet visible at the bottom. The overall color palette is dominated by warm, fiery tones of red, orange, and yellow.
