**Godless** Chaz Bufe, 2019-09-01 Godless is a compilation of wide ranging texts both hilarious and horrifying on atheism belief and religion The selections in the book appeared in various formats from the late nineteenth century through the early twenty first and their authors were often active in the anarchist Marxist or radical leftist movements of their day Derived from printed pamphlets periodicals and newspaper pieces that were mass produced and widely distributed these texts serve as freethinking propaganda in a media war against morbid authoritarian doctrines With both a sophisticated analysis of inconsistencies in deistic beliefs and a biting satirical edge Godless gives ammunition to those fighting fundamentalist bigotry and more than a few reasons to abandon Christianity Readers previously familiar with the authors political polemics will be rewarded in contemplating another side of their remarkable literary output Contributors include Emma Goldman Ambrose Bierce Chaz Bufe E Haldeman Julius Earl Lee G Richard Bozarth Johann Most Joseph McCabe Matilda Gage Pamela Sutter S C Hitchcock and S bastien Faure

**Raising Free People** Akilah S. Richards, 2020-11-01 No one is immune to the byproducts of compulsory schooling and standardized testing And while reform may be a worthy cause for some it is not enough for countless others still trying to navigate the tyranny of what schooling has always been Raising Free People argues that we need to build and work within systems truly designed for any human to learn grow socialize and thrive regardless of age ability background or access to money Families and conscious organizations across the world are healing generations of school wounds by pivoting into self directed intentional community building and Raising Free People shows you exactly how unschooling can help facilitate this process Individual experiences influence our approach to parenting and education so we need more than the rules tools and bad adult guilt trips found in so many parenting and education books We need to reach behind our behaviors to seek and find our triggers to examine and interrupt the ways that social issues such as colonization still wreak havoc on our ability to trust ourselves let alone children Raising Free People explores examples of the transition from school or homeschooling to unschooling how single parents and people facing financial challenges unschool successfully and the ways unschooling allows us to address generational trauma and unlearn the habits we mindlessly pass on to children In these detailed and unabashed stories and insights Richards examines the ways that her relationships to blackness decolonization and healing work all combine to form relationships and enable community healing strategies rooted in an unschooling practice This is how millions of families center human connection practice clear and honest communication and raise children who do not grow up to feel that they narrowly survived their childhoods

**Growing Up Godless** Deborah Mitchell, 2014-04-01 In a nation where religion plays such a big role how can you raise a child without God How do you instill morality answer questions about mortality and handle believers who expect to get a one way ticket to heaven by converting you Deborah Ann Mitchell who has blogged and written columns on the subject provides guidance to agnostics and atheists struggling with how to assert their beliefs in a reasoned

nonconfrontational and honest manner      **Systematic Atheology** John R. Shook, 2017-12-01 Atheology is the intellectual effort to understand atheism defend the reasonableness of unbelief and support nonbelievers in their encounters with religion This book presents a historical overview of the development of atheology from ancient thought to the present day It offers in depth examinations of four distinctive schools of atheological thought rationalist atheology scientific atheology moral atheology and civic atheology John R Shook shows how a familiarity with atheology s complex histories forms and strategies illuminates the contentious features of today s atheist and secularist movements which are just as capable of contesting each other as opposing religion The result is a book that provides a disciplined and philosophically rigorous examination of atheism s intellectual strategies for reasoning with theology Systematic Atheology is an important contribution to the philosophy of religion religious studies secular studies and the sociology and psychology of nonreligion
