Karanika-Murray, Cary L. Cooper, 2025-12-19 *Work Nonwork Management* Research and Practice in a Changing Work Context advances the understanding of how individuals couples teams and organizations can effectively navigate work nonwork integration in ways that promote well being and productivity The book considers how individuals form and shape boundaries between their work and nonwork roles sheds light on the role of supervisors in enabling individuals work nonwork management while effectively leading teams with diverging work nonwork needs and interests and clarifies how

organizations can develop and implement effective work nonwork policies. Highlighting the importance of embracing work nonwork diversity within organizational culture the expert contributors offer hands on recommendations to facilitate the handling of and benefit from having multiple roles in this new work context. Going beyond the traditional the book considers the experiences of blue collar and non standard workers individuals employed in family businesses and small to medium sized businesses and LGBTQIA individuals as well as adopting a global perspective by looking at cross cultural differences in how individuals reconcile and negotiate their work and nonwork roles. Essential reading for students and academics in psychology and management studying the work nonwork interface this volume also serves as an invaluable resource for supervisors HR professionals and organizational decision makers seeking to support employee well being while enhancing organizational attractiveness in an increasingly competitive talent marketplace International Human Resource Management B.
