A definitive survey of mid century modern design and architecture in an accessible, compact edition, this book offers a rich overview of one of the most popular collectable and dynamic periods of design. With rich and diverse examples of everything from furniture and lighting to ceramics and textiles, to graphics and posters, to interior design and architecture, this sleek compendium of mid century style includes over 1 000 illustrations representing classic designs and little-seen rarities, as well as entries on nearly 100 major creators, such as Dieter Rams, Robin Day, Isamu Noguchi, Lucie Rie, Charles and Ray Eames, Alvar Aalto and Oscar Niemeyer. An additional illustrated dictionary features hundreds more influential mid century designers, manufacturers, organizations, schools and movements. Organized into three parts, Media and Masters, with six sections on applied arts, Houses and Interiors, featuring twenty seminal homes and their furnishings, and an A-Z of Designers and Makers, and complete with thirteen specially commissioned essays by renowned experts, this illustrated book is a must have for collectors, design aficionados and anyone seeking inspiration for their home.

Midcentury Modern Furniture Dominic Bradbury, 2022-12-06 The ultimate collector's resource, including hundreds of pieces by both well and lesser known designers from around the world. From armchairs and chaises lounges to cabinets and nightstands, the period between the late 1930s and early 1970s was one of the most productive, inventive and exciting eras for objects and furniture in the home. Following 1945, when postwar optimism combined with new manufacturing methods and material techniques, there was an explosion of design innovation and demand for goods. The appetite for mid century modern remains as strong as ever, both for classic designs, many still in production since they were launched, and for rare, hard to find pieces from lesser known designers. While numerous books surveying mid century modern style have appeared over the years, this volume is specifically for the increasing collector's market in mid century modern design, focusing on each piece of furniture as an object of formal invention, manufacturing

intelligence and material innovation Overflowing with vibrant color photography Mid Century Modern Furniture profiles hundreds of pieces and is a perfect reference in design libraries studios and the homes of private collectors or as an object of design in its own right Each item of furniture is presented in detail illuminated with vibrant illustrations and profiled via in depth descriptive texts by design writer Dominic Bradbury The book's substantial reference section includes essays on materials and a directory of designers Work by a host of influential talents is profiled throughout alongside lesser known pieces by Piet Hein Bruno Mathsson Lina Bo Bardi and Alexander Girard
