family to those who were less fortunate The book also details Gino s eventual struggles with alcohol abuse and how he responded by taking on the role of empathetic mentor to young Indigenous people travelling from community to community to hear their stories and offer hope He never wavered in this role even as he confronted serious illnesses including chronic traumatic encephalopathy CTE and the rare blood disorder that he survived for years longer than expected but that eventually led to his death at age fifty two Gino is a moving tribute to a beloved hockey legend     *Mademoiselle* ,1998
