## Nhl Opening Night Ideas:

The NHL's Mistake by the Lake Gary Webster,2021-09-30 The Cleveland Barons should never have existed Born when the National Hockey League s California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn t really want it

Chill Factor David Paitson,Craig Merz,2015-03-03

The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Many are Called-- Few are Signed : Hard Realities of Professional Hockey Rick Heinz,1988     *The California Golden Seals* Steve Currier,2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating

story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey s traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game The California Golden Seals examines the franchise s mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a season by season narrative Currier brings to life the Seals history with lighthearted anecdotes personal interviews and statistics about hockey s most infamous losing team

*The New York Rangers* John Kreiser,Lou Friedman,1996 In The New York Rangers Broadway s Longest Running Hit Ranger fans can savor the legendary feats of such star skaters as Ed Giacomin Brad Park Andy Bathgate Rod Gilbert and Mark Messier Each of the 70 easy to read four page chapters reveals tidbits about Ranger hockey never before available in book form The New York Rangers and Madison Square Garden opened up their archives to reveal numerous rarely published photographs Authors John Kreiser and Lou Friedman and NHL editor John Halligan have developed a book that is sure to become a collector s item

[Hockey Fight in Canada](#) David Shoalts,2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers s bitter rival Bell Canada The decision was met with equal parts fascination shock and anger When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada a move that could have saved some of their jobs their disappointment turned to outrage This is also a story of great irony as the win proved to be costly for the victor in the first years When Rogers sealed the 5 2 billion twelve year deal it looked like the audacious play might just pay off The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers s broadcasts in the process In anticipation Rogers gave Hockey Night in Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada It was crushing news for Rogers with cable cutting already shaping into an existential threat On top of everything Strombo bombed as host and the network had to bring MacLean back Then things got even worse by the middle of the 2015 16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and Hockey Fight in Canada details every fascinating play in this intersection of sports and business
