The Four Scott Galloway, 2017-10-05 A fantastic provocative book about where we are now and where we are going Phil Simon Huffington Post Amazon Apple Facebook and Google are the four most influential companies on the planet Just about everyone thinks they know how they got there Just about everyone is wrong For all that s been written about the Four over the last two decades no one has captured their power and staggering success as insightfully as Scott Galloway Instead of buying the myths these companies broadcast Galloway asks fundamental questions How did the Four infiltrate our lives so completely that they re almost impossible to avoid or boycott Why does the stock market forgive them for sins that would destroy other firms And as they race to become the world s first trillion dollar company can anyone challenge them In the same irreverent style that has made him one of the world s most celebrated business professors Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves at a speed and scope others can t match And he reveals how you can apply the lessons of their ascent to your own business or career Whether you want to compete with them do business with them or simply live in the world they dominate you need to understand the Four

The Deals that Made the World Jacques Peretti, 2017-07-27 The book to read GQ A revelatory book John Lewis Stempel While the laws that guide our lives are written by the politicians we elect much of the world around us from the food we eat to the products we buy to the medications we take is shaped by private negotiations and business deals few of us know about For twenty

years Peretti has interviewed the people behind the decisions that have altered our world from CEOs of multinational corporations to politicians economists and scientists In The Deals that Made the World Peretti draws on his vast knowledge to reveal a host of fascinating and startling connections from how Wall Street s actions on food commodities helped spark the Arab Spring to the link between the AIDS epidemic in 1980s San Francisco and the subprime mortgage crisis of 2008 He proves a sure guide combining both eye opening on the ground reporting and a narrative flair that makes esoteric financial and business concepts clear and understandable Like Steven Levitt Nassim Nicholas Taleb Brad Stone Michael Lewis and Malcolm Gladwell Peretti takes the ordinary and turns it inside out to give us a compelling new perspective on our lives and our world *Routledge German Dictionary of Business, Commerce, and Finance* Routledge (Firm),1997 This dictionary consists of some 50 000 terms and references and 4 000 abbreviations in both German and English Over 40 subject areas are covered including Accountancy Banking Computing Economics Finance General Commerce Human Resource Management Import Export Industry Insurance Law Management Mathematics Media Patents Politics Property Sales Marketing Stock Market Taxation Tourism Welfare Safety and many more
