**Midnight in Austenland** Shannon Hale, 2013-01-01 Jane is a young New York woman who can never seem to find the right man perhaps because of her secret obsession with Mr Darcy as played by Colin Firth in the BBC adaptation of *Pride and Prejudice* When a wealthy relative bequeaths her a trip to an English resort catering to Austen obsessed women however Jane s fantasies of meeting the perfect Regency era gentleman suddenly become more real than she ever could have imagined Is this total immersion in a fake Austenland enough to make Jane kick the Austen obsession for good or could all her dreams actually culminate in a Mr Darcy of her own In this addictive charming and compassionate story Shannon Hale brings out the Jane Austen obsessive in all of us

**Transmedia Storytelling** Jennifer Camden, Kate Faber Oestreich, 2018-12-14 This volume charts the evolution of Pemberley Digital s transmedia adaptations of nineteenth century novels in order to interrogate the uneasy relationship between transmedia storytelling and consumer culture It first examines two Austen centered films *Lost in Austen* and *Austenland* that present immersive Austen experiences that anticipate Pemberley Digital s transmedia adaptations bridging traditional film adaptations and transmedia s participatory culture Subsequent chapters turn to Pemberley Digital s transmedia adaptations of Austen s and Shelley s novels to argue that although such adaptations may appear feminist in their emphasis on female protagonists their larger narratives expose a subtext of anxiety about unstable gender roles financial vulnerability and the undervaluation of career specific skill sets both for the characters and the production company itself The study provides a robust theoretical framework within which to read transmedia adaptations of classic literature illuminating both the potential of and the challenges facing digital and transmedia storytellers and participants
