EBOOK: Using Information Technology Complete Edition Brian Williams,2012-03-16 EBOOK Using Information Technology Complete Edition

**Platform Neutrality Rights** Hannibal Travis,2024-07-24 This book analyzes questions of platform bias algorithmic filtering and ranking of Internet speech and declining perceptions of online freedom Courts have intervened against unfair platforms in important cases but they have deferred to private sector decisions in many others particularly in the United States The First Amendment human rights law competition law Section 230 of the Communications Decency Act and an array of state and foreign laws address bad faith conduct by Internet platforms or other commercial actors Arguing that the problem of platform neutrality is similar to the net neutrality problem the book discusses the assault on freedom of speech

that emerges from public private partnerships The book draws parallels between U S constitutional and statutory doctrines relating to shared spaces and the teachings of international human rights bodies relating to the responsibilities of private actors It also connects the dots between new rights to appeal account or post removals under the Digital Services Act of the European Union and a variety of fair treatment obligations of platforms under American and European competition laws public accommodations laws and public utilities laws Analyzing artificial intelligence AI regulation from the point of view of social media and video platform users the book explores overlaps between European and U S efforts to limit algorithmic censorship or shadow banning The book will be of interest to students and scholars in the field of cyberlaw the law of emerging technologies and AI law

**Disconnected** Milan Frankl,2025-02-25 Disconnected Exploring the Decline of Social Networks

examines the future of social networks highlighting their transformation from community builders to sources of misinformation and frustration Using interdisciplinary insights it uncovers the complex interplay of technological social and cultural factors behind this shift It discusses the impact on individuals businesses and society proposing pathways to a healthier digital environment The book delves into the fascinating journey of social networks tracing their evolution from tools that fostered community building to platforms that can sometimes spread misinformation It explores how privacy issues are crucial in shaping user experiences and trust Disconnected also examines the phenomenon of algorithmic polarization where algorithms create echo chambers and contribute to the spread of disinformation The author explores the social and cultural factors that influence social networks Additionally he includes case studies that highlight the real world impacts of social networks on individuals businesses and society as a whole Readers will discover practical solutions that offer pathways to creating a healthier digital environment enable recognition of misinformation and privacy issues more effectively as well as gain strategic insights that will help navigate and influence the future of social networks

**The Journalist's Guide to**

**Media Law** Mark Pearson,Mark Polden,2020-07-27 We are all journalists and publishers now at the touch of a button we can send our words sounds and images out to the world No matter whether you're a traditional journalist a blogger a public relations practitioner or a social media editor everything you publish or broadcast is subject to the law But which law This widely used practical guide to communication law is essential reading for anyone who writes or broadcasts professionally whether in journalism or strategic communication It offers a mindful approach to assessing media law risks so practitioners can navigate legal and ethical barriers to publishing in mainstream and social media This sixth edition has been substantially revised to reflect recent developments in litigation and the impact of national security laws and the rising gig economy where graduates might work in the news media PR new media start ups or as freelancers It covers defamation contempt confidentiality privacy trespass intellectual property and ethical regulation as well as the special challenges of commenting on criminal allegations and trials Recent cases and examples from social media journalism and public relations are used to illustrate key points and new developments Whether you work in a news room in public relations or marketing or blog from
