

# Morning Routine

TO SET UP YOUR DAY FOR SUCCESS

- ☐ Don't check your phone for the first 15 minutes
- ☐ Journal 3 things you are grateful for
- ☐ Make your bed
- ☐ Drink 500 mL of water
- ☐ 5-10 minute stretch
- ☐ Brush your teeth & wash your face
- ☐ Work out for 20 minutes
- ☐ Take a cold shower
- ☐ Meditate
- ☐ Take probiotics & vitamins
- ☐ Coffee time!
- ☐ Read an article about something you want to learn about while eating
- ☐ Review your schedule to check for meetings
- ☐ Write your to-do list for the day
- ☐ Get your day started! You got this!

**Expressman's Monthly** ,1884      **Celebrity Biographies - The Amazing Life Of Morgan Freeman and Denzel Washington - Famous Stars** Matt Green, Ever wondered how Morgan Freeman and Denzel Washington rose to stardom

Morgan Freeman like many early African American actors was born into a time of racial segregation and prejudice Born in Memphis Tennessee on June 1 1937 Freeman experienced a rather turbulent childhood His parents moved to Chicago when Freeman was still a child hoping to find better work away from the oppressive hand of the racially explosive South As his father descended into alcoholism Freeman s parents separated and Freeman found himself moving frequently splitting time between living with his grandparents in Mississippi and moving from town to town with his mother Born into humble beginnings Denzel Washington would become synonymous with powerful acting and creative expression throughout his career From his early beginnings on the stage and in television Washington would rise to be one of the most decorated actors of his era earning numerous Oscar nominations and accolades Washington courageously forged ahead to break down further racial barriers for a new generation of actors and served to inspire the next wave of African American artists For more interesting facts you must read the biographies Grab your biography books now **The Sketch** ,1895 Inside Chinese Theater Nancy Yunhwa Rao,2025-04-08 In the mid nineteenth century Chinese opera theater arrived as one of the significant performing art forms in California Nancy Yunhwa Rao excavates and contextualizes the important history of Chinese Opera Theater bringing to light the ways it became woven into the financial political social and family life in California and beyond Chinese opera theater found brick and mortar homes with San Francisco theaters like the Hing Chuen Yuen and the Donn Qui Yuen But troupes had already followed Chinese immigrants to mining and railroad towns and across the American West As Chinese theater became part of California and San Francisco culture popular Chinese actors advocated for their art alongside appeals for civil rights Rao draws on personal diaries newspapers and artifacts to place Chinese theater within the everyday lives of San Francisco She also examines the costumes singing staging and storytelling that impacted mainstream reception and influenced how Chinese communities saw themselves Illustrated with seventy photographs Inside Chinese Theater is an expert and eloquent journey into the early decades of Chinese opera in America **The Film Weekly** ,1943

*Big Deal* Kevin Winkler,2018 Bob Fosse is one of the most significant figures in the post World War II American musical theater *Big Deal* Bob Fosse and Dance in the American Musical is a fascinating look at the evolution of Fosse as choreographer and director It traces is early dance years the influence of mentors George Abbott and Jerome Robbins and the impact of his three marriages all to dancers on his career **The Business Of Media: Change And Challenges**

Mónica Herrero,Steve Wildman,2021-05-30 Advancement of the state of scholarship on media management is a three pronged process The body of knowledge on which media executives and managers can draw grows as 1 core concepts and analytical frameworks are refined augmented and occasionally supplemented or replaced by new ideas that better explain the roles of media in their larger economic and societal contexts 2 Rigorous empirical analysis probes the limitations of current understanding and raises new questions and 3 Grounded case studies extract knowledge through theoretically informed observation of situations and processes that are too complex and multi faceted for more tightly controlled statistical

analyses but still are too rich in their potential to contribute to knowledge to ignore All three prongs are represented in this edited volume which draws on the best of the new research and thinking showcased at the Annual Conference of the International Media Management Academic Association held during October 24 25 2014 in Pamplona Spain The book s 10 chapters are organized into three main sections that move respectively from a high level focus on core principals and fundamental challenges to effective management to more narrowly focused research but with generalizable findings on solutions to concrete and specific problems faced by media firms trying to improve their results from the services and products they offer to case studies of market level change in three very different political and economic environments The remainder of this brief introduction was written as a guide to the research and findings presented in these sections **Film**
