*Return to the Caffe Cino* Steve Susoyev,2007-01-01 RETURN TO THE CAFFE CINO gives a fresh exciting portrait of the non commercial NY theater scene in the 1960 s The scene is painted here by dozens of short essays by the artists that were a part of the creative fission that flared so brightly there and that still influences so much of today s theatre The eyewitness stories are usually hysterically funny filled with that sense of freedom that ignited a movement that continues today in small independent theaters And the editors of the anthology have filled the pages with vintage pictures including one of a fifteen year old Bernadette Peters getting her start at the Caffe Cino
