

THE 50 COMPANIES WITH THE BEST CUSTOMER SERVICE

METHODOLOGY

Qualtrics XOM's Customer Service Index (CSI) is a comprehensive, data-driven metric that measures the quality of customer service across a wide range of industries. The CSI is based on a proprietary survey methodology that asks customers to rate their satisfaction with various aspects of their service experience, including the speed and accuracy of service, the quality of the service representative, and the overall quality of the service. The CSI is calculated as a weighted average of these ratings, with a higher score indicating a better customer service experience. The CSI is a valuable tool for companies looking to improve their customer service, as it provides a clear, quantifiable measure of customer satisfaction. The CSI is also a useful benchmark for comparing a company's customer service performance to that of its competitors. The CSI is a dynamic metric that is updated annually, reflecting the most current data on customer service performance. The CSI is a key indicator of a company's commitment to customer service, and it is a critical factor in determining a company's overall success.
