- I enjoy creating articles and take great care to ensure that the content is accurate, understandable, and concise.

Delivering excellent material that meets or exceeds customer expectations gives me great pleasure. I go through the review process carefully. I would appreciate the chance to meet with you and learn more about how my credentials for the Content Reviewer role align with your requirements. If there was an opportunity to meet you in person and go through my credentials in more depth, I would leap at it. Your time and suggestions are greatly appreciated, and I hope you'll get back shortly. When it's convenient for you, I'd be willing to sit for an interview.

Topics include concepts and processes within academic promotion, navigating the academic promotion and tenure process, and managing the outcome of the APT application. *Academic Promotion for Clinicians* is a valuable resource for clinical medicine faculty members as they engage in and successfully handle the challenges in the APT process and thus realize their career goals.
