Sam Altman, CEO, OpenAI: The promise of the internet has been stolen. Over the last decade a handful of giant companies like Facebook and Google have seized control of the web, sapping its dynamism and taking its profits for themselves. But there is a way to take it back. Here a leading Silicon Valley investor argues that blockchains, the radically free and democratic new type of software design that underpins web3, could return financial and decision-making power to the internet's users. For the first time we won't just read and write on the internet; we will own it too. A must for anyone who wants to better understand the real potential of blockchains and web3. Bob Iger, CEO, Disney: A refreshing and radical new take at a time when we need fresh thinking more than ever.
