A New Literacies Sampler Michele Knobel, Colin Lankshear, 2007 The study of new literacies is quickly emerging as a major research field. This book samples work in the broad area of new literacies research along two dimensions. First it samples some typical examples of new literacies: video gaming, fan fiction writing, weblogging, role play, gaming using websites to participate in affinity practices, memes and other social activities involving mobile technologies. Second the studies collectively sample from a wide range of approaches potentially available for researching and studying new literacies from a sociocultural perspective. Readers will come away with a rich sense of what new literacies are and a generous appreciation of how they are being researched. **InfoWorld**, 2006-08-07 InfoWorld is targeted to Senior IT professionals.
