Memorandum For Tourism 2014:

2014 Annual Competitiveness Analysis And Development Strategies For Indonesian Provinces Khee Giap Tan,Nurina Merdikawati,Mulya Amri,Blake Harley Berger,2015-09-08 This book is a world class report by the Asia Competitiveness Institute updated annually to analyse Indonesia's competitiveness at the provincial level. With 104 indicators covering four environments the study's unique methodology incorporates comparative strengths and weaknesses. Apart from scores and rankings what if policy simulations offer various provinces practical prescriptions to improve overall competitiveness to accelerate economic growth and development in a balanced fair and sustainable way. Such qualitative and quantitative analyses in collaboration with various stakeholders generate an exciting pathway for Indonesia to attain its rightful place in both the Asian region and global contexts.

The Tourism and Trade Show Industries in the Russian Far East Ilona Z. Chkhotua,Anna V. Sadovnichaya,Lyudmila I. Vlasyuk,Anna S. Khvorostyanaya,2026-02-03 This new monograph presents a strategy concept for the development of the tourism and trade show industries in the Russian Far East with due regard for the interests of all participants in the strategy process. The volume highlights the search for an effective strategic development strategy as one of the priorities of the socioeconomic development of the Far Eastern Federal District FEFD taking a scientific and economic approach that considers industry specifics. To substantiate the strategic priorities of tourism development the authors use applied methodology for assessing the tourist potential employing an OTSW opportunities threats strengths weaknesses analysis and methods for classifying and grouping regions. This study is aimed at solving a fundamental scientific problem determining the strategies of priorities for spatial development of a macroregion in a broad direction aimed at diversifying the economic structure of a region using the Russian Far East as an example. Considerable attention in the study is paid to revealing the potential of foreign trade show industries as an effective organizational form of export support and the formation of strong brands awareness abroad. The uniqueness and practical significance of the monograph lies in the fact that it formulates the theoretical and methodological foundations of strategizing the tourism industry and trade show industries based on the universal theory of strategy and the methodology of strategizing by Vladimir L Kvint foreign member of the Russian Academy of Sciences but taking into account the industry specifics of the strategizing object. The work also presents a comprehensive analysis of the resource natural and recreational infrastructural institutional personnel information support for the development of tourism on the Russian Far East. Devoted to strategic analysis of the economic and tourist potential of the microregion this volume deeply analyzes global national regional and industry trends which allows us to determine the possibilities for further progressive development of the strategizing object. Key features Discusses in detail the theory and methodology of tourism strategizing. Presents a comprehensive study of the tourism and trade show industries at the state level Russian Federation and at the level of separate macroregion Russian Far East. Explains the authors methodology and econometric calculations of tourism potential of the region. Analyzes the tourism
