The Outsider Advantage Ciera Rogers, 2024-06-20

From the fashion mogul and entrepreneur behind Babes, an empowering memoir about turning what makes you different into the foundation of your success. Ciera Rogers is known for being an Outsider, and she likes it that way. As the founder and CEO of a multi-million-dollar brand that caters to curvy women of all shades worn by the likes of Kim Kardashian and championed by Beyoncé, Ciera has rallied the very women the fashion industry is designed to ignore around the radical idea that what makes you different is actually your superpower. *The Outsider Advantage* is for Outsiders like her, the dreamers, doers, and getters that society continuously overlooks and underestimates but who are uniquely equipped to achieve glass-shattering success. In this bold and inspiring memoir, Ciera shares the moments in her life that left the biggest impact: being kidnapped at a young age by her estranged father, running hustles in strip clubs, living in her mom's red Jeep, daring to post her first outfit for sale on Instagram, hitting seven figures, and buying a home. She unearths the powerful lessons she has taken away from her past and her unorthodox rise, like how to harness what you already have and how to use your trauma as a motivator. She also speaks to feelings of millennial rage as, on her journey, she came to realize that the American Dream is a lie. But she didn't allow that to stop her from outmaneuvering the system to finally live the life she wanted. Arguing that what the world calls limitations—lack of connections, resources, fancy degrees, or even the right look—are actually our biggest competitive advantages, Ciera teaches anyone who has ever been overlooked, ignored, or underestimated how to embrace their Outsider status to find unstoppable success.

The Morning Myth Frank J. Rumbauskas, Jr., 2019-06-26. Does the early bird always catch the worm? Society largely praises early risers while maligning so-called night owls. However, countless research studies have shown that night owls are more successful and wealthier than early risers. *The Morning Myth* proves that indeed, night owls are generally more successful in life than early risers. It restores night owls' self-confidence and encourages them to achieve more on their natural schedules. In *The Morning Myth*, Frank J. Rumbauskas provides practical tips to help night owls

thrive Informs employers about how much productivity they re losing by forcing night owls to be at work bright and early
Offers advice on how to schedule both early risers and night owls for maximum productivity Shows night owls how to achieve
maximum happiness at work Coaches managers on getting the most out of their night owl employees Whether you re a night
