*The Cleveland Rams* James C. Sulecki, 2016-10-24 In 2016 the Rams left St Louis for Los Angeles having departed L A for St Louis in 1995 and caused much heartbreak among fans NFL teams are notorious for decamping to more profitable markets and the Rams history of opportunistic moves goes back to 1946 when they left Cleveland their original hometown where fans had cheered them to a championship a month earlier The move to L A from Cleveland shocked the NFL and shook up its power structure It also jolted the all white league into reintegration prepared the way for the Browns and made the Rams the only NFL champs ever to have spent the following season in a different city This is the story of how the Rams went from a home grown Ohio team funded by local businessmen to the first major league franchise on the West Coast and how their departure jumpstarted a chain of events in Cleveland that continues to this day *Last Man Standing* Joel

Dunn, 2023-10-24 New York Times Bestseller The stirring memoir of Harry Dunn a Capitol Police Officer on duty January 6th who has become one of the most prominent and essential voices regarding the truth of that day and a must read for those care about our nation's future Congressman Eric Swalwell Walking the halls of democracy as a Capitol Police officer Harry Dunn was a man slowly experiencing an awakening It sparked after the election of our first Black president It grew as his belief in the bravery and honor of law enforcement was shaken by Ferguson and countless other cases of police brutality towards the Black community It continued to burn brighter as he watched members of Congress many of whom he had befriended lose their way to partisanship as political extremism intensified And it exploded into a blaze when he fought side

by side with his fellow officers on January 6th when democracy and their lives were threatened Standing My Ground is a powerful patriotic tale told with striking moral clarity Congresswoman Nancy Pelosi that provides a crucial definitive firsthand account of what happened on that day our country was shocked to its core But it will also share the story of a man who refused to stay quiet when he learned that some of the men and women he had risked his life protecting who knew him by name would deny the horrors they faced That's when he chose to speak up and to seek out what his hero John Lewis once termed good trouble Dunn's ongoing story as a witness willing to meaningfully engage with the media lawmakers and the public provides a backdrop for examining the political and racial divide in this country one that we must overcome in order to demand accountability and preserve our precious democracy
