Personnel 15 December 2021 19 pages 3 JTS Clinical Practice Guidelines 2 260 total pages current as of 19 September 2023
INTRODUCTION The SMOG continues to go through significant improvements with each release as a result of the
collaboration of Emergency Medicine professionals experienced Flight Medics Aeromedical Physician Assistants Critical Care
Nurses and Flight Surgeons There has been close coordination in the development of these guidelines by the Joint Trauma
System and the Defense Committees on Trauma Our shared goal is to ensure the highest quality en route care possible and
to standardize care across all evacuation and emergency medical pre hospital units It is our vision that all of these
enhancements and improvements will advance en route care across the services and the Department of Defense Unit medical
trainers and medical directors should evaluate Critical Care Flight Paramedics CCFP ability to follow and execute the
medical instructions herein These medical guidelines are intended to guide CCFPs and prehospital professionals in the
response and management of emergencies and the care and treatment of patients in both garrison and combat theater
environments Unit medical providers are not expected to employ these guidelines blindly Unit medical providers are
expected to manipulate and adjust these guidelines to their unit s mission and medical air crew training experience Medical
directors or designated supervising physicians should endorse these guidelines as a baseline appropriately adjust
components as needed and responsibly manage individual unit medical missions within the scope of practice of their Critical
Care Flight Paramedics Enroute Critical Care Nurses and advanced practice aeromedical providers The medication section of
this manual is provided for information purposes only CCFPs may administer medications only as listed in the guidelines
unless their medical director and or supervising physician orders a deviation Other medications may be added so long as the
unit supervising physician and or medical director approves them This manual also serves as a reference for physicians
providing medical direction and clinical oversight to the CCFP Treatment direction which is more appropriate to the patient s
condition than the guideline should be provided by the physician as long as the CCFP scope of practice is not exceeded Any
medical guideline that is out of date or has been found to cause further harm will be updated or deleted immediately The
Medical Evacuation Concepts and Capabilities Division MECCD serves as the managing editor of the SMOG and are
responsible for content updates managing the formal review process and identifying review committee members for the
annual review The Standard Medical Operating Guidelines are intended to provide medical procedural guidance and is in
compliment to other Department of Defense and Department of the Army policies regulatory and doctrinal guidance Nothing
herein overrides or supersedes laws rules regulation or policies of the United States DoD or DA
