A New Book of Old Jewish Classics

In the 1880s and through the 1920s, immigrants from Eastern Europe, mainly Ashkenazi Jews, began filling tenements and crowding the streets of the Lower East Side with pushcarts, the food trucks of the day. The traditional foods they prepared and peddled are known as Jewish foods, closely associated with New York. They're the subject of the food writer June Hersh's authoritative book, "Iconic New York Jewish Food." Today these specialties — bagels, lox, pastrami, knishes, rye bread, seltzer and matzo ball soup — have reached a wider audience. The author did her homework, explaining, with a light touch and punnacious style, their origins and evolution, defining "appetizing" stores (there were 500 of them in New York in 1930, she writes) and delicatessens. She documents key purveyors like Russ & Daughters and Katz's that still thrive, along with glimpses of bygone examples, including Rabinowitz Delicatessen, owned by the father of Jerome Robbins, the choreographer. Illustrated with vintage and modern photographs, the book lists where to find the foods today and suggests noshing tours.

"Iconic New York Jewish Food: A History and Guide with Recipes" by June Hersh (The History Press, \$23.99 paper).
