Text: Excerpt from *Double Dutch: A celebration of Jump Rope, Rhyme and Sisterhood* and Excerpt from *It's Our World, too!*

Evaluating Sample Students Extended Responses

Task Directions: Today you will be the scorer! After we read the extended response question and the passages titled "Excerpt from *Double Dutch: A celebration of Jump Rope, Rhyme and Sisterhood*" and "Excerpt from *It's Our World, too!*" you will discuss with your group what score you think each students' response should receive and explain why you gave it that score. You must use what you learned about using the "RACECE" strategy for each bullet point (question) and the Extended Response Rubric to help you score.

As you read each sample response you will...

- 1) Check all of the parts of the rubric that the student shows in their response.
- 2) Write what score you think they should get and why you think this student deserves this score.
- 3) Discuss and answer in the feedback section with your partners why you gave the student that score and what that student can do for next time to improve.

We do this so that we can compare different student writing samples for an extended. We can also learn what the difference is between a level 0, 1, 2, 3, or 4.
