**Subject Guide to Books in Print** ,1991     Seven Shots Jennifer C. Hunt,2010-09-15 On July 31 1997 a six man Emergency Service team from the NYPD raided a terrorist cell in Brooklyn and narrowly prevented a suicide bombing of the New York subway that would have cost hundreds possibly thousands of lives Seven Shots tells the dramatic story of that raid the painstaking police work involved and its paradoxical aftermath which drew the officers into a conflict with other rank and file police and publicity hungry top brass Jennifer C Hunt draws on her personal knowledge of the NYPD and a network of police contacts extending from cop to four star chief to trace the experience of three officers on the Emergency Service entry team and the two bomb squad detectives who dismantled the live device She follows their lives for five years from that near fatal day in 1997 through their encounters inside the brutal world of departmental politics and on to 9 11 when they once again put their lives at risk in the fight against terrorism racing inside the burning towers and sorting through the ash debris and body parts Throughout this fast paced narrative Hunt maintains a strikingly fine grained street level view allowing us to understand the cops on their own terms and often in their own words The result is a compelling insider s picture of the human beings who work in two elite units in the NYPD and the moral and physical danger and courage involved As gripping as an Ed McBain novel and just as steeped in New York cop culture and personalities Seven Shots takes readers on an unforgettable journey behind the shield and into the hearts of New York City police
