Guidelines for the Preparation of Teachers of English Language Arts Denny T. Wolfe,1986 Acknowledging changes in educational theory research and practice that inevitably determine the emphases in preservice teacher education programs these updated guidelines give teacher preparation policymakers state and local education leaders and the public an overview of the knowledge skills and attitudes a teacher education graduate

needs to begin a career in the classroom Following an introductory chapter that relates the 1986 guidelines to current aims of language arts instruction the document is divided into two sections The first part identifies and defines the knowledge pedagogical abilities and attitudes that teachers of English language arts must acquire and develop through their preservice programs knowledge required includes language development composing and analyzing language reading and literature nonprint media instructional media evaluation and research Pedagogical skills include instructional planning strategies and assessment instruction in oral and written language reading literature and nonprint media and in language for learning and instructional uses of emerging technologies attitudes include concern for students adaptability and professional perspective

The second section discusses the kind of campus based and field based learning experiences prospective teachers should have during their preservice education and outlines the nature of a preparatory program that incorporates the contents of the first part in the educational experiences of prospective English language arts teachers HOD **Teaching Language Arts to English Language Learners** Anete Vásquez, Angela L. Hansen, Philip C. Smith, 2013 This thoroughly revised and updated edition of Teaching Language Arts to English Language Learners provides readers with the comprehensive understanding of both the challenges that face ELLs and ways in which educators might address them in the language arts classroom. The authors offer proven techniques that teachers can readily use to teach reading, writing, grammar, and vocabulary as well as speaking, listening, and viewing skills. A complete section is also devoted to ways teachers can integrate all five strands of the language arts curriculum into a comprehensive unit of study with meaningful accommodations for ELLs. An annotated list of web and print resources completes the volume, making this a valuable reference for language arts teachers to meet the challenges of including all learners in effective instruction. New features to this edition include: An updated and streamlined Part 1 which provides an essential overview of ELL theory in a language arts specific context; Additional practical examples of language arts exercises, all of which are closely aligned with the Common Core State Standards; New pedagogical elements in Part 3 including tips on harnessing new technologies, discussion questions, and reflection points; Updates to the web and print resources in Part 4.
